

River Rock Retreat Guest Information

We hope you'll enjoy your stay at River Rock Retreat! Here is some information to assist you in planning for your trip.

Bed Linens

Each bed comes with several blankets and pillows, but you'll need to bring sheets and pillowcases. If you don't have queen sheets, king or even double flat sheets will work in a pinch. Don't forget pillowcases! Here is the bed layout: Master bedroom - 1 queen bed; Second bedroom - 3 twins (2 stacked in bunks); Living room - 2 queen pull-out futons; Guest cottage - 1 queen and 1 twin.

Towels

You'll need to bring your own bath towels and beach towels.

Kitchen & Laundry

River Rock Retreat has a very well-stocked kitchen including a standard refrigerator, gas range, dishwasher (detergent provided), microwave, coffee maker (uses standard basket filters), blender, mixer, toaster, cookware, dishes, and utensils. We provide dishrags, towels, and paper towels. Nearby shopping is limited - the Hyampom General Store down the street is just a convenience store; there are two larger markets in Hayfork. A washer and dryer are available.

Supplies

We provide an initial supply of toilet tissue and paper towels. We do not provide napkins, coffee filters, Kleenex, plastic wrap, or additional toilet tissue/paper towels. We provide dishwasher detergent, dish liquid, and hand soap. We don't provide bath soap or laundry detergent.

Grill

A propane grill is located on the back porch. If the propane should run out while you are visiting, please install the spare tank under the grill and leave the empty tank next to the door for us to refill. We will try to keep a spare propane tank full, but if you do run out, you can refill the tank at the Hyampom General Store.

Outdoor Supplies

The creek bed and river bed are both lined with river rocks and you may want to wear water shoes. You might also want sunscreen, bug spray, air mattresses, life jackets, and a flashlight.

TV- Video

The main house has a TV-DVD- VCR. The guest cottage has a TV- DVD. Since there is no TV reception, and no video rental store in Hyampom, you may want to bring videos from home. Many public libraries will loan out videos for a week, and most Blockbusters offer 1-week rentals.

Phone

If you need to be reached at River Rock Retreat, the telephone number is (530) 628-5087. The phone is for local, toll-free, and incoming calls only (no long distance calls).
